

NewConference is the professional conferencing service that differentiates through ease of use and quality. At the newConference website you will find an up to date overview of all features. The purpose of this manual is to explain the basic operation of newConference Direct.

Manual for newConference Direct

Define a conference code

The chairman defines a conference code. He uses at least four digits and does not use simple codes like 1234.

Inform the participants

The chairman provides the following information to all participants:

- ✓ Starting time of the conference call
- ✓ The dial in number:
 - 0900-1460 (The Netherlands)
 - 070/246150 (Belgium)
- ✓ The conference code

Start the meeting

At the agreed time each participant dials one of the dial in numbers and enters 1 to join the conference followed by the conference code.

General information and free additional functions

Real time status screen

At us.newconference.com each participant can follow the status of the meeting: who is present, when did he or she enter (and perhaps leave) the meeting.

Nr	Phone number	Start		
1	Dennis Lim	12:43		
2	Pavel Kankovsky	12:45		
3	Bernd Leibing	12:45		
4	+1227773456	12:48		
5	Masaki Chikama	12:48		
6	Mårten Svantesson	12:54		

The following participants have left the meeting

Nr	Phone number	Start	Finish
1	+31208978323 🙋	12:53	13:15

This conference summary will be updated in real time.

Sample status screen. In the case of newConference Direct phone numbers are shown instead of participant names.

Record your meeting

NewConference Direct conference calls can be recorded free of charge. Each participant can initiate recording in two ways:

- a) by entering 2 instead of 1 during the setup process
- b) by selecting "Record this conference" in the control panel during the conference call.

All participants can see whether a meeting is recorded in the Control Panel. When the conference call is finished the recording can be downloaded from us.newconference.com.

Control by phone

By entering the key of your phone during a meeting you will get an IVR-menu that offers some convenient features:

- 1 Microphone on/off
- 4 Decrease speaker volume
- 6 Increase speaker volume
- 7 Decrease microphone volume
- 9 Increase microphone volume
- 8 Exit menu

Invitation Assistant

You may inform the participants in different manners i.e. by e-mail or by using the optional and free Invitation Assistant as can be found at us.newconference.com.

International access

Access from outside Belgium and The Netherlands is not possible with newConference Direct. Please use newConference OneDay, Personal or Corporate for this purpose. Visit us.newconference.com for more information.
